## **Love, in Spanish** Karina Halle

The companion to the highly emotional, scandalous and USA Today Bestselling love story - LOVE, IN ENGLISH - is finally here! Love, in Spanish is a Love, in English follow-up of about 50K words, told from Mateo Casalles' POV. Love, in Spanish touches on some events that happened in Love, in English (you know the ones!) while expanding on Vera and Mateo's "happily ever after." Note: It should be read after Love, in English and is almost all new material (AKA not just rehash of LIE). \*\*\* “She sat beside me on the bus – and she changed my whole life.” Successful, wealthy and absurdly handsome – Spanish ex-football player Mateo Casalles seemed like he had it all. A high-society wife, an adorable little girl, and flashy apartments in Madrid and Barcelona only sweetened the deal. But there was more to Mateo than met the eye – a life of uncertainty and regret that colored his black and white world. That was until Vera Miles came into his life like a shooting star. Tattooed, wild and young, Vera seemed like Mateo’s polar opposite at first. But you can’t choose who you fall in love with and the two lost souls did everything they could to be together, all while suffering the grave consequences. Now with Mateo divorced and living in Madrid with Vera, there is a whole new set of challenges and setbacks facing the couple and rocking the foundation of their star-crossed relationship. Unfortunately for them, the brighter the star, the faster they burn. \*\*\*Love, in Spanish contains the first two chapters of Where Sea Meets Sky, a full-length Love, in English spinoff starring Vera's brother, Josh Miles, coming March 2015 from Atria Books\*\*\*

### From reader reviews:

#### **Nyla Gomez:**

Book is to be different for each and every grade. Book for children till adult are different content. As we know that book is very important usually. The book Love, in Spanish has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The guide Love, in Spanish is not only giving you far more new information but also to get your friend when you feel bored. You can spend your own personal spend time to read your publication. Try to make relationship while using book Love, in Spanish. You never experience lose out for everything should you read some books.

#### **Christine Erhart:**

Here thing why this Love, in Spanish are different and trusted to be yours. First of all studying a book is good however it depends in the content of computer which is the content is as delightful as food or not. Love, in Spanish giving you information deeper since different ways, you can find any e-book out there but there is no reserve that similar with Love, in Spanish. It gives you thrill examining journey, its open up your personal eyes about the thing that will happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in area, café, or even in your way home by train. If you are having difficulties in bringing the published book maybe the form of Love, in Spanish in e-book can be your substitute.

#### **John Jones:**

Nowadays reading books become more than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book this improve your knowledge and information. The info you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining including comic or novel. Often the Love, in Spanish is kind of guide which is giving the reader erratic experience.

#### **Edward Doucet:**

Is it an individual who having spare time in that case spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This Love, in Spanish can be the respond to, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these publications have than the others?
