What's going on here? One President wining and dining with the greatest mass-murdering Communist in history! Another President authorized a national holiday to honor a demagogue who proclaimed himself a Marxist! One President presented a notorious security risk with a \$50,000 tax-free award! Another President delivered more than 2,000,000 people to Communist Occupied Russia for execution or incarceration in slave labor camps! One President protected a Communist slave labor dictatorship from invasion! Yes, what exactly is going on here? Thomas J. Anderson aptly concluded: "Ours is the only nation whose leaders could have done what they've done without being tried for treason."
