These Things Happen Richard Kramer

These Things Happen is set in Manhattan and focuses on two couples – one gay, one straight. They share a 15-year-old son, Wesley, who lives on the upper East Side with his mother and doctor stepfather. Trying to get to know his impressive, distant father better, he moves in for a semester with him his male partner in a mid-town brownstone. George, the partner, is a former actor — by his own account “fifteen years past fabulous.” Charming, funny, smart and compassionate, George manages a struggling theater district restaurant and becomes the model for the kind of man Wesley would someday like to be.
