Rosa wants freckles just like her friend Abby. How can she get them? Maybe chocolate pudding will do the trick! How about some mud puddle dots? Big sister's makeup? Rosa comes to realize that she might have something that is just as good as the longed-for freckles.

The I Wish series (I Wish I Was Tall Like Willie, I Wish I Was Strong Like Manuel, I Wish I Had Glasses Like Rosa, I Wish I Had Freckles Like Abby) explores the issues of self-esteem, self-acceptance and friendship for children. Kids are reminded to like themselves "just the way they are!" through humorous situations and outlandish schemes.
