**A Wolf By Any Other Name** By Kate Douglas When computer nerd Zevulan Cable awakens in a dungeon, bare-ass naked, chained to a bed as gorgeous identical twin witches have their sensual way with his body, he figures he's found his greatest desire, just as the leprechaun promised. Then why is the tiny, sexless woodsprite the one who captures his heart? And how can he explain his growing need to howl at the moon...? **Sticks and Stone** By Jennifer Dunne Wealthy, powerful, and recently voted the year's most eligible bachelor, Dermot Stone had it all. But he wanted more. He wanted magic. Irish witch Eileen Daniells had her hands full with a busy writing and teaching career. The last thing she needed was an arrogant American stirring up trouble among the faerie creatures in her woods. When a tree spirit appears and seduces him, Dermot thinks he's getting the wish the leprechaun promised -- only to discover it may cost him his life. Eileen uses her powers to save him, but Dermot must confess to his secret sexual longings before her rescue can be complete. Could she be the answer to his heart's deepest desire? **The Public Eye** By Chris Tanglen Greg Tennerson figures the leprechaun was just an elaborate prank, but quickly changes his mind when he wakes up with Vivian in his bed. She's gorgeous. She's sexy. She's very much naked. In fact, she's Greg's vision of absolute female perfection. She's also more than willing to satisfy his every physical desire. Anything he wants. Any time he wants. As often as he wants. It's a fantasy come true for this successful attorney with his heart set on a career in politics...but there's a catch. Because Vivian will only have sex with him in public. And only if there's danger of getting caught!
