Proud Shoes (Black Women Writers Series) Pauli Murray

First published in 1956, *Proud Shoes* is the remarkable true story of slavery, survival, and miscegenation in the South from the pre-Civil War era through the Reconstruction. Written by Pauli Murray the legendary civil rights activist and one of the founders of NOW, *Proud Shoes* chronicles the lives of Murray's maternal grandparents. From the birth of her grandmother, Cornelia Smith, daughter of a slave whose beauty incited the master's sons to near murder to the story of her grandfather Robert Fitzgerald, whose free black father married a white woman in 1840, *Proud Shoes* offers a revealing glimpse of our nation's history.
