Room to Learn: Rethinking Classroom Environments Pam Evanshen, Janet Faulk

Based on the latest research about how children learn, this book helps elementary school teachers make their classrooms into creative spaces that facilitate teaching and learning. It also delves into specific areas of classroom design such as use of color and plants, room arrangement, learning centers, and the impact of clutter. With before and after photos of real classrooms, teachers can examine each area and determine their own classroom's need for improvement.
