As any cat owner will tell you, cats speak a special language. Why not put those linguistic skills to constructive use and teach your cat a second language? The Complete French for Cats is the perfect pocket primer for teaching your cat how to speak French like a pro. It covers the whole cat, from whiskers (les moustaches) to tail (la queue), and features easily learned phrases that will ensure your cat gets what he or she wants when speaking the French language: •"I want food in my bowl now" (Je veux qu'on rempliss mon bol immediatement) •"I need to use my litter box" (Il faut que je me serve de ma boite) •"Remove yourself from my nap place at once" (Sortez de l'endroit ou je fais) Abundantly illustrated by Henri de la Barbe, this book also includes a section on advanced French for exceptional cats (but then all cats are exceptional--aren't they?).
