***A Midsummer Night's Dream*, one of the greatest stories ever told . . . in texts?!**

Imagine: What if the fairies and star-crossed lovers of the forest had smartphones? A classic is reborn in this fun and funny adaptation of one of Shakespeare's most famous plays!

Four lovers who can't decide who they have a crush on.

One mischievous fairy with a love potion.

Total chaos in the fairy world, the human world, and everywhere in between!

<3 and h8. The classics just got a whole lot more interesting. ;)

**tl;dr** A Shakespeare play told through its characters texting with emojis, posting photos, checking in at locations, and updating their relationship statuses. The perfect gift for hip theater lovers and teens.

A glossary and cast of characters are included for those who need it. For example: **tl;dr** means **too long; didn't read**.
