**Across the High Lonesome** James McNay Brumfield

**Across the High Lonesome** is a modern western odyssey that invites the reader to hitch a ride through the glacial carved vales and over the high lonesome passes of California's "Range of Light." A journey of love, pain and adventure, brimming with unforgettable characters, salty humor, and recalcitrant mules. Brumfield has taken a lifetime of experience packing dudes into the mountains and distilled it into a delightful work of fiction.
