**Architectural Graphic Standards for Architects, Engineers, Decorators, Builders and Draftsmen, 1932 Edition (A Reissue of a Design Classic)** Charles George Ramsey, Harold Reeve Sleeper, Harold R. Sleeper, Edited by: Charles Ramsey

The reissue of a design classic--the book that revolutionized the practice of architecture.

When it was published in 1932, this cornerstone edition of Ramsey and Sleeper's Architectural Graphic Standards was the very first book to present the accepted architectural practices of the time in a clear and accessible graphic form.

Now finally available in paperback, this landmark reference still has much to offer us today, with beautifully illustrated practical information on traditional architectural standards, methods, and materials that cannot be found elsewhere.

Covering all facets of building construction from foundations to interior finishes, it will be valued by a new generation of architects, design professionals, and others involved in the restoration and renovation of historic buildings as well as anyone with an interest in architectural history.
