LOVE BETWEEN THE LINES

Romance has never had a happy ending for librarian Penny Callahan, who could write the book on cheating, heartbreaking liars. So she's made a resolution: no men for the next twelve months. If she can just get through the library's New Year's Eve singles night, she can return home to her pajamas and a good book. But when she finds herself checking out a hot hunk with an irresistible smile, an evening in the stacks becomes a lot more tempting...

Reclusive author Jack Williamson never should have trusted his mother. Even though he's trying to avoid being recognized, she guilts him into attending a dating meet-and-greet—where an adorable librarian makes him question his lonely lifestyle. Is this just a fleeting, flirty scene? Or could love be the next chapter for them both?
