First German Reader for beginners: bilingual for children and parents (Graded German Readers for children 1) (German Edition) Elisabeth May

The book contains a beginner's course for children with parallel German-English translation. There are a few pictures and the first simple sentences in the first chapter. More pictures and vocabulary are added in the second and following chapters. They build up little stories, guiding a learner gently into the English language. The method ALARM (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically.
