Pathways to Joy: The Master Vivekananda on the Four Yoga Paths to God Swami Vivekananda

At the 1893 Parliament of Religions in Chicago, Swami Vivekananda transformed Western thinking. He showed that, far from being an exotic novelty, Hinduism was an important, legitimate spiritual tradition with valuable lessons for the West. *Pathways to Joy* is a selection of 108 of his sacred teachings on Vedanta philosophy. In accessible and powerful prose, Vivekananda illuminates the four classical yoga paths — karma, bhakti, raja, and jnana — for the different natures of humankind. The messages focus on the oneness of existence; the divinity of the soul; the truth in all religions; and unifying with the Divine within. Invaluable and inspiring, the selections also explore karma, maya, rebirth, and other great revelations of Hinduism.
