### The Sun Is Always Shining: A Collection of Inspirational Quotes

Gloria BeneduceMcGrath

The Sun Is Always Shining: A Collection of Inspirational Quotes Gloria BeneduceMcGrath In working with children for so many years, I had the personal opportunity to experience the power of positive reinforcement. It was an integral part of everything I did with the children and their parents. My spiritual growth has always been an important part of my life. I always kept personal journals with original poetry and quotations. My extensive reading and participation in various spiritual groups such as the A.R.E. (Edgar Cayce's Association for Research and Enlightenment), and "A Course in Miracles" have influenced my practice of the laws of the universe. Along with all of the people I have grown with, it was all of these experiences that motivated me to put together my first collection of original quotes that I hope will be beautiful to the eye and inspirational to the soul. May my book help you remember and reinforce the power of affirming, and that we are all a part of a universe that is directly influenced by our thoughts, words and actions! I send to each of you wishes for perfect health, love, abundance and prosperity! ENJOY Gloria
