Takeover—One Last Chance for Humanity

Since the announcement of Unbounded existence, the mortal world has quickly polarized. One faction wants all Unbounded—Renegade and Emporium—dead. Others worship them as gods who have come to save the world and bring it immortality. The tension between these groups is ready to explode. Meanwhile, the Emporium has a new player, one who has upped the stakes in the battle for humanity. Many innocent mortals are sacrificed as the Emporium Triad grabs for control. As Erin Radkey, Ritter Langton, and their Renegade allies struggle to stay one step ahead of the enemy, their increasing abilities are tested to the limit—as is their trust in each other. They have only one chance to change the game, to save humanity. A desperate plan that requires an ultimate price no one can bear to pay. But everything is not always what it seems, especially in the world of the Unbounded. **“The Takeover amazingly pulls in threads from all the previous novels for a richly satisfying series conclusion. From Jace’s parentage and Stella’s baby, to Keene’s ability and Cort’s past, it all comes together. The Unbounded series is one that will always stand out in my mind.”**

Jody Babcock Note from the author: Thank you so much for going on this journey with me. The Takeover is the final installment in the Unbounded series—at least for this generation. (There eventually may be a few more spin-off novellas.) But I have other series in the works, and I hope to see you again in their pages. Enjoy! Teyla Branton
