“It is a fast paced adventure into French history which has cemented itself as a classic and refuses to let go. I have been a fan of this story for several decades.” ManofLabook.com

“[Dumas’s] historical novels always wind up saying that everything that matters — love, courage, pleasure and, especially, all-for-one-and-one-for-all friendship — exists most vividly not in the supposed centers of power, but elsewhere: in the margins of history, where the musketeers, immortally, live.” Terrence Rafferty, NY Times

“I’ve had more fun reading "The Three Musketeers" than I’ve had with any book in a long time, and my only regret is that I didn't find my way to Dumas sooner. It's bursting with swordplay, political intrigue, romance, fortunes won and lost, mistresses kept and stolen, poisoned wine, devious nobility, and vengeance sought and attained. What more could a reader ask for?” Danny

“With five brilliantly laid out main characters and strong supporting ones, this stands out for fine individuals. D’Artagnan, the three namesake Musketeers, Athos, Porthos, and Aramis, and the woman mostly called simply Milady are all of amazing clarity. The evil Cardinal Richelieu, the queen and king of France, various lackeys and servants, love interests, and others flesh out the many characters whom Dumas keeps clear, distinct, and never too many to follow.” Steve

THE THREE MUSKETEERS is one of the most exciting adventures of all time. It immortalized Athos, Aramis, Porthos, and of course D'Artagnan. Presented in a beautiful edition specially designed for kindle, this is Dumas’s swashbuckling epic masterpiece which will stay with you forever. All for one, and one for all!
