## **Blowing It** Kate Aaron

Owen Barnes never expected writing to make him rich, much less with a YA novel written for a bet. Being nominated for the Carnegie Medal, the most prestigious award a children's author can win, is a dream come true. But Owen's newfound fame comes at a price, and not just changing his surname to Black.

Gruff, gentle building surveyor Magnus Cassidy is the first man to catch Owen's interest in almost two years. Owen's agent, Max, might be trying to control his image, but Magnus sees the real Owen: the eyeliner, drainpipe jeans, and sexy underwear, not the Young Conservative in a tweed jacket Max is turning him into.

When a photo of Owen and Magnus appears online, just weeks before the Carnegie ceremony, Max starts damage limitation. Out and proud since he was fourteen, Owen isn't going back into the closet without a fight, and he refuses to let his agent erase Magnus from his life. Encouraged by his friends, Owen lashes out, not realising his behaviour could hurt the man he's doing it all for. Can Owen find a way to reconcile his public and private lives, or has he already blown it?

Contents: passive tops and slutty bottoms, bitchy best friends, bad jokes, sexy underwear, an excess of beards, and a smattering of angst. May contain nuts.

Word Count: 83,500

Sequel, BALLS UP

### From reader reviews:

#### **Paul Dixon:**

Book is to be different for every grade. Book for children right up until adult are different content. To be sure that book is very important for us. The book Blowing It was making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The guide Blowing It is not only giving you more new information but also to get your friend when you experience bored. You can spend your own personal spend time to read your publication. Try to make relationship together with the book Blowing It. You never truly feel lose out for everything when you read some books.

#### **Robert Lindsey:**

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these people survives, being in the middle of often the crowded place and notice through surrounding. One thing that often many people have underestimated it for a while is reading. Yep, by reading a e-book your ability to survive improve then having chance to stand than other is high. In your case who want to start reading any book, we give you this particular Blowing It book as nice and daily reading book. Why, because this book is greater than just a book.

#### **Adam McGrath:**

Here thing why this kind of Blowing It are different and dependable to be yours. First of all studying a book is good but it really depends in the content from it which is the content is as delightful as food or not. Blowing It giving you information deeper and in different ways, you can find any e-book out there but there is no book that similar with Blowing It. It gives you thrill reading through journey, its open up your own personal eyes about the thing that happened in the world which is might be can be happened around you. You can easily bring everywhere like in playground, café, or even in your way home by train. Should you be having difficulties in bringing the published book maybe the form of Blowing It in e-book can be your option.

#### **Manuel Rose:**

Precisely why? Because this Blowing It is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will shock you with the secret the item inside. Reading this book adjacent to it was fantastic author who also write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.
