**Postelection Conflict Management in Nigeria: The Challenges of National Unity (Monograph Series School for Conflict Analysis and Resolution) John N. Paden**

This volume is an invitation to deploy high-level scholarship in a strategic policy-making process that will strengthen the unity of Nigeria. Many in the international community and within Nigeria itself assert that the country is destined for unmanageable collapse, but John Paden proposes how Nigeria can respond to its current crises and tensions in ways that will serve the interests of the state, with its diverse citizenry, as well as the world at large.
