**The Chinese Revolution: The Triumph of Communism (Snapshots in History)** Paul J. Byrne

In August 1945, World War II was over, and China was liberated after suffering for years under harsh Japanese military rule. But a new war was about to begin. Over the next four years, China would endure a brutal civil war as the Nationalists, who had ruled China before the war against Japan, and their longtime enemies the Communists battled it out to the bitter end. The ultimate Communist victory over the Nationalists brought a massive revolution to Chinese society and even more suffering to the Chinese people.
