Woman Power the Companion Book to the Proper Care and Feeding of Husbands Dr. Laura C. Schlessinger

From Publishers Weekly: This sister volume to the bestselling *The Proper Care and Feeding of Husbands* argues that by simply using "the niceness of the feminine touch," women "have almost magical powers" to singlehandedly improve their marital relationships. The secret is in implementing the "A's"-attention, approval, appreciation and affection-that Dr. Laura outlined in her earlier book, and she relies on reader testimonials and radio show transcripts to show specifically how change worked for her devoted fans."
