CliffsNotes on Inherit the Wind is an illuminating guide to the Jerome Lawrence and Robert E. Lee play about the evolution-versus-creationism debate. Chapter summaries and expert analysis provide insight into the central conflict between fundamentalist Matthew Harrison Brady and gifted orator Henry Drummond. The townspeople in this play also dramatize what freedom of thought -- as well as "the right to be wrong" -- truly mean. Other features that help you study include

- Character analyses of major players
- A character map that graphically illustrates the relationships among the characters
- Critical essays on the play's themes, conflicts, and more
- A review section that tests your knowledge
- Background information on the playwrights and their partnership

Classic literature or modern modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.
