Rachel Weaver Mason is finally going home to Deer Run, the Amish community she left behind so many years ago. Recently widowed, she wants desperately to create a haven for herself and her young daughter.

But the community, including Rachel's family, is anything but welcoming. The only person happy to see her is her teenage brother, Benjamin, and he's protecting a dark secret that endangers them all.

Determined to keep Benjamin safe from a suspected killer, Rachel has no choice but to turn to the one man she wanted to get as far away from as possible. Colin McDonald was her late husband's friend, and the man who came between them. He's never forgotten her and would do anything to keep her and her family safe.

Rachel doesn't know if she can trust Colin, or her growing feelings for him. But as they hunt for the killer, the tension between them builds and soon both their lives, and their hearts, are on the line.

From reader reviews:

Maria Scully:

Book is definitely written, printed, or illustrated for everything. You can learn everything you want by a guide. Book has a different type. To be sure that book is important matter to bring us around the world. Close to that you can your reading talent was fluently. A book Home by Dark will make you to possibly be smarter. You can feel considerably more confidence if you can know about everything. But some of you think which open or reading the book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or suitable book with you?

Thomas Carroll:

Information is provisions for those to get better life, information these days can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is within the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Home by Dark as the daily resource information.

David Hosford:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, planning to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Can be reading a book can be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to attempt look for book, may be the reserve untitled Home by Dark can be great book to read. May be it is usually best activity to you.

Christopher Scoville:

A lot of people said that they feel uninterested when they reading a book. They are directly felt this when they get a half elements of the book. You can choose the book Home by Dark to make your current reading is interesting. Your personal skill of reading expertise is developing when you like reading. Try to choose straightforward book to make you enjoy to read it and mingle the idea about book and studying especially. It is to be first opinion for you to like to open a book and study it. Beside that the guide Home by Dark can to be your new friend when you're feel alone and confuse using what must you're doing of this time.
