The Book of Enoch R.H. Charles

Enoch was the grandfather of Noah, and received visions and dreams from a Divine Source, giving him insight and prophecy into the Great Flood, the Messianic Age, and the end of times, the Great Apocalypse. Most recently, the Book of Enoch has come to the attention of UFO researchers; Enoch's description of the Fallen Angels, and their unholy and lawless union with women, and their Nephillim offspring, bears an eery and undeniable parallel to the alleged alien hybridization program, and also with conspiracy theories concerning the Reptilian nature of the ruling elite.
