When it was first published in 1995, Linda Metcalf's book *Counseling Toward Solutions* became an instant bestseller. The book offered a new and positive program for changing individual behavior that helped K-12 students with their own problems and gave them self-esteem in the process. Now, *The Field Guide to Counseling Toward Solutions* offers school counselors, teachers, and administrators a complete program for changing the way that schools deal with a variety of issues. From an alternative school program that enlists the power of teacher mentors to the elementary program that involves the teacher, parent, and student in the counseling process, this book shows how to make change happen and how to make it last.
