Like many people, you may be under the impression that the Bible and the Koran generally teach that to get to heaven, a person must achieve a certain level of “goodness” by doing more good things than bad things. In reality, each teaches an opposing view about the way to heaven. This book is written to explain the difference between these two messages while attempting to explain how most Muslims think about this matter.

Tom Bear has been an evangelical Christian since 1975. During the past several years, he has spoken with thousands of Muslims face to face, one on one, at great length about their understanding of God and the gospel of Jesus Christ. This book is based upon this experience and his understanding of the gospel of Jesus Christ.
