## **Every Child, Every Day: A Digital Conversion Model for Student Achievement (New 2013 Ed Leadership Titles)** Mark A. Edwards

This is the story of how 2013 Superintendent of the Year, Mark Edwards, led the Mooresville, N.C. Graded School District in its goal of creating a vibrant new learning environment for teachers and students and achieving outstanding academic results through an innovative digital conversion initiative that provided every student and teacher with a laptop, despite a very modest resource base. *Every Child, Every Day* gives readers a look at the visionary success factors that worked together to produce positive results—a culture of caring, digital resources, a relentless focus on data, leadership at all levels, and student-centered learning—and shows how their interplay drove, and can drive, academic improvement in virtually any school district. New funding strategies that address the budget issue combine with step-by-step replication tips to provide valuable inspiration and guidelines to help every school succeed on the digital conversion path to student achievement.
