## **Out of Time Series Box Set (Books 1-3) (Out Of Time Box Set) Monique Martin**

This box set contains three complete novels: Books 1-3 of the Out of Time Series.

### **Out of Time: A Time Travel Mystery (Book #1)**

Mystery, romance and adventure...

Professor Simon Cross has spent his life searching for evidence of vampires and avoiding emotional entanglements. When a mysterious accident transports Simon and his assistant, Elizabeth West, back in time, Simon finally finds both the proof that he's been looking for, and the romance that he hasn't.

Simon and Elizabeth's developing relationship is tested by demons real and imagined. In 1920s Manhattan, there are more than mobsters vying for power in the city's speakeasies. When the local kingpin with a dark secret sets his sights on Elizabeth, day to day struggles become a fight for their very lives.

### **When the Walls Fell (Book #2)**

Professor Simon Cross and his assistant Elizabeth West have returned from their accidental journey into the past and are adjusting to their new life together as a couple. But an unwanted visit from the Council for Temporal Studies could change everything.

A murder in the past is changing the future, and if the killing isn't stopped, Simon Cross might never be born.

When they arrive in 1906 San Francisco, Elizabeth and Simon have no idea who wants Victor Graham dead or how it will happen. With the earthquake that leveled most of the city just days away, the race to save Graham thrusts them into a complex mystery of jealousy and revenge where murder might be the least of their worries.

### **Fragments (Book #3)**

Simon & Elizabeth are back in book #3 of the Out of Time Series! Professor Simon Cross and his assistant,

Elizabeth West, thought their time traveling days were over. That's before they stumble across a World War II photograph -- with missing time traveler, Evan Eldridge, injured and in desperate need of help.

They find Evan in 1942 London, ill and not quite sure what's happened. He remembers only one thing with crystal clarity -- the whereabouts of an artifact Hitler believes can win the war. That's information every Nazi spy in the country would kill to know.

As if saving Evan and surviving war-torn England weren't enough, the outcome of the war hinges on Simon and Elizabeth finding Evan's artifact before the Nazis do. But time is running out: for them, for London, for the world.
