'Poems to Our Daughters' is an inspirational book that should be read by mothers-to-be as well as young and old parents and grandparents. It is indeed refreshing to hear the positive reflections brought to the forefront of this publication as well as reading each poem at the end of the chapters. Zonya Brewton's writing is indeed inspired by God and I recommend her work as a "must read" for generations to come. -The Honorable Andrew Young, Chairman Good Works International & Former Ambassador to the United Nations under President James "Jimmy" Carter Former Mayor, City of Atlanta, Georgia USA If every daughter could experience the level of unconditional love and unwavering commitment as expressed in the pages of 'Poems to Our Daughters,' all of our girls would grow up to be exceptional women who hold their heads high and stand tall. "Poems to Our Daughters" is a must read. It is vital in a time when the denigration of morals, values, and women is so prevalent. -Lisa S. Clark, Ph.D., Clinical Psychologist Unfortunately in today's society we encounter many situations where negativity is more the norm than positive reinforcement. After reading 'Poems to Our Daughters' I would highly recommend this book as a source of hope and inspiration to our present day society. 'Poems to Our Daughters' is a positive attribute of a mother who wants more for her daughter. Thank you, Ms. Brewton, for being led by God to share your stories and poems with the world. - Pastor Magdalene D. Womack 'Poems to Our Daughters' was born out of Zonya's love for writing and her desire to encourage her daughter to be all that she can be and to influence women across the world to help foster healthy self-esteem among young girls. Most importantly this book shares lessons learned and taught.
