BOOK #1: Frugal Hacks: 33 Amazing Tips and Tricks to Easily Increase Your Earnings

At the end of every month when you're tired of peeking through your hands at finances and you take your palms away from your eyes and read your bank balance there is probably a slight sinking feeling. The feeling of is that there is? You had hoped the supermarket would forget to put the charge through on your card, that the phone company would have found out its your birthday and given you the month off and the number in your head of how much you earn is always higher than what the taxman has. But, it doesn't need to be like this.

With this book you will learn 33 hacks and money making tips that will let you see that balance at the end of the month as just the beginning of how much you can make. Through a mixture of simple investment advice, tricks for getting the most out of your banking and ideas for creating a new stream of income you will learn how to make your money work for you all the time. Even if you only have a handful of change to call your savings there are ways to make the most of them and ensure you have more left over to add to your holiday fund.

- Betrayal can pay well when you track down the best people to handle your money and how to get the best deal from the companies putting light in your house.
- Discover how to earn money while you are sat around watching television using simple investments or by making the most of your tax breaks.
- Transform the junk in your closet into a weekly income and turn empty space in your home into a college fund.
