I Have Asperger's Erin Clemens

My name is Erin Clemens. I'm 24 years old, and I want to help others understand what my life is like living with Asperger's Syndrome. My hope is that people can learn from what I have been through, and apply it to what may help someone they know on the spectrum. To me, autism isn't a death sentence. It's just a different lifestyle. The views expressed are my own.
