## The Sociology of Norbert Elias

Over recent years there has been a steady upsurge of interest in the work of Norbert Elias. This book provides a comprehensive and accessible introduction to the key aspects of Elias's work and then applies an Eliasian approach to key topics in contemporary sociology such as race, class, gender, religion, epistemology and nationalism. The editors have brought together a distinguished group of international sociologists and this book will not only change the course of Elias studies but be a valuable resource for both students and scholars alike.
