**Three Angry Angels: A Story of God's Love For The World's Discarded Children** David W Estes

Author David W. Estes takes his Christian faith—and the Bible's directive to care for orphans, widows, and the oppressed—very seriously. Estes shares God's deep love and concern for the welfare of abandoned and abused children of the world and it is this heartrending topic that he takes up in his second book, *Three Angry Angels*.

Following the experiences of real-life children Marhia, Evie, and Masson from their conception through the beginnings of the traumatic lives they were born into, Estes highlights God's unending mercy, compassion, and love for His most vulnerable little ones

Telling the stories of these children, Estes also introduces readers to their guardian angels, sent by God to shepherd these innocent lambs through the abuse, disappointment, and danger of each, into the haven of the foster care program and finally delivered into the arms of their forever families.

Both heartbreaking and inspiring, *Three Angry Angels* provides a thought-provoking and insightful look at the harrowing reality for many of society's discarded children while also celebrating the steadfast love of God for these precious little lives and his commitment to His children.
