## Total Rejection

If a man is rejected by more than three girls, there is something terribly wrong with him. That's the case with Jason Bidds. He was a handsome born playboy, who became a narcissist and egocentric professional footballer who only want to play with beautiful girls with no string attached. But got totally rejected when he wanted to be serious with them.

Jason developed his egocentric characteristics not knowing that life in the real world, is a different ball game from what we did in high school.

He is blessed with every feature any woman is looking for in a man, but his hidden bad characters comes out after sleeping with each girl - a mannerism no woman wants from her lover.

He knew his qualities and decided to take advantage of the beautiful girls in the school and quickly became darling of virtually every beautiful girl in our school.

Emy developed sincere love with Jason but, not knowing she is only wasting her time. He only wanted to play and nothing serious.

She wanted to introduce Jason to her wealthy parents on several occasions, but he never showed interest.

Emy wanted to be identified as his college sweetheart, and eventually continue the relationship after graduation, but it's not the life style Jason wanted. The Casanova only want to play with pretty chicks and nothing more than that.

His girlfriend Emy, became pregnant. Everyone was expecting Jason to settle down with her but instead, he abandoned Emy with her pregnancy, to the astonishment of his friends, and team mates. It became a national news, internet and social media went viral. Emy dropped out of school in shame. Her parents devastated by the news and, wanted to take action but Emy didn't want to be dragged around. Jason's only reply was that Emy only wanted to use pregnancy to pin him down for marriage, but it won't work.

Though he wasn't on denial of the pregnancy, he is only not interested in settling down as Emy had planned. Jason became so entrenched to his handsomeness that, he believe that all the beautiful girls are dying to kiss him.

Despite his notorious behavior, pretty girls crave for his love anywhere he went. He went on to sign a lucrative contract with one of the big clubs and now a professional football player. But one grave problem still hangs on the balance - he went on with his narcissist and egocentric life style. Never give a damn what anybody think about him.

Amanda was a beautiful but a naive and traditional home girl, totally in contrast to hot chicks he preferred to hand out with.

Though as a playboy, Jason possesses one good quality that everyone admires; he is a cheerful giver.

Jason made a casual proposal to Amanda just to satisfy his friend's curiosity.

He is a very handsome, rich professional football player but he cannot buy love. He has everything that attracts women to men, but the girls all rejecting him.

Jason wants to try out on the Latino girls after ruling out Asian and black chicks. Definitely, he will still end up being rejected because he refused to follow the girls' safe approach. He keeps on forcing women to adhere to his quick start strategy. It has not worked for him and will probably never work. But Jason is adamant to listen and not ready for a change.

He donates almost ten percent of his total earnings to different charitable organizations and participates in every community events. He gives money out to street beggars and anyone in need of immediate help. Jason has a good heart. His only problem is the issue with women and his love life.

Jason moved to Europe. His first girlfriend was a virgin. She wanted to tell him after meeting her parents, but he was not patient enough to have a virgin girl friend. She invited Jason to meet her parents first before they proceed but the playboy rejected her move instantly. Jason only prefer hot chicks ready for action and not a

virgin.

His dream of playing the game he loved in England was shattered when he was sacked by his club due to rape charges.
