Ageless Erotica

Ageless Erotica

Ageless Erotica is a steamy anthology of erotic stories and memoir essays written for a mature audience by writers over the age of 50. Edited by senior sex expert and advocate Joan Price, this collection is full of erotica seniors can relate to—embracing the agelessness of sexuality while still encompassing the changes that accompany aging. Some selections are tender and loving, while others are edgy and kinky. But whether characters are going solo, having spicy sex with partners they love and have loved for decades, or engaging in casual encounters, every story included in these pages aims to arouse and to rejoice in the sensual side of aging.

A groundbreaking collection of erotica for seniors, *Ageless Erotica* is a stimulating celebration of the many pleasures of “well-seasoned” sex.
