Feline Internal Medicine Secrets, 1e Michael R. Lappin

This book covers the breadth of feline diagnosis and management in the textbook-in-question-and-answer format of The Secrets Series. After years of being treated under the basic medical model of the canine, feline medicine has reached greater prominence in the past few years, and has become a hot topic in veterinary medicine, yielding several successful books. Michael Lappin is one of the major names in modern feline medicine, and he has assembled a cast of contributors featuring many of the major feline authorities in the U.S. Each chapter presents a brief overview of, discusses the diagnostic plan, and then focuses on the key concepts for each topic.
