**Kurt Vonnegut: Novels 1987-1997: Bluebeard / Hocus Pocus / Timequake: Library of America #273 (The Library of America)** Kurt Vonnegut

**The definitive edition of Kurt Vonnegut's fiction concludes with three brilliantly satirical novels of the 1980s and '90s collected in one volume for the first time.** Here are the final three novels of the visionary master who defined a generation. *Bluebeard* (1987) is the colorful history of a phenomenally gifted realist painter who, in the 1950s, betrayed his artistic vision for commercial success. now, at seventy-one, he writes his memoirs and plots his revenge on the worldly forces that conspired to corrupt his talent. In *Hocus Pocus* (1990), a freewheeling prison memoir by a Vietnam vet and disgraced academic, Vonnegut brings his indelible voice to a range of still-burning issues—free speech, racism, environmental calamity, deindustrialization, and globalization. *Timequake* (1997), the author's last completed novel, is part science fiction yarn (starring perennial protagonist Kilgore trout), part diary of the mid-1990s (starring the author himself). the result is a perfect fusion of Vonnegut's two signature genres, the satirical fantasy and the personal essay, and a literary magician's fond farewell to his readers and his craft. Rounded out with a selection of short nonfiction pieces intimately related to these three works, this volume presents the final word from the artist who the *San Francisco Chronicle*, reviewing *Timequake*, called an "old warrior who will not accept the dehumanizing of politics, the blunting of conscience, and the glibness of the late-twentieth-century Western world."
