## **Loitering at the Gate to Eternity: Memoirs of a Psychic Bystander** Louisa Oakley Green

"Author Louisa Oakley Green didn't believe in psychic phenomena when she met her husband Stephen. Now, twenty years later, this self-described "psychic bystander" from New Jersey shares haunting tales from family, friends, and strangers who see life through the veil of clairvoyance and mediumship.

In *Loitering at the Gate to Eternity*, Green recounts the psychic tales of everyday people, from school teachers and business professionals to blue collar workers, as well as four gifted psychic professionals. Some have had only one psychic experience in their lives. Others are guided by them daily. Green offers engrossing insights into the world of clairvoyance, out-of-body experiences, and the peculiar penchant deceased relatives and friends have for sharing our burdens and celebrations.

Providing credence to the belief that everyone possesses psychic ability, though some seem to have a more natural affinity for it than others, *Loitering at the Gate to Eternity* chronicles Green's journey from skeptic to believer through more than one hundred paranormal stories. When you finish reading these personal accounts, you may never view 'reality' the same way again."
