**Wanted (Pretty Little Liars, Book 8)** Sara Shepard

Being wanted isn't always a good thing.

For three long years, Hanna, Spencer, Aria, and Emily wondered what happened the night their best friend Alison disappeared. Now that all their questions have finally been answered, they can put this awful chapter of their lives behind them. Or so they think.

Not every story has a happy ending, especially when four pretty little liars have done so many wicked things. Will the girls get everything they've ever wanted? Not if I have anything to say about it.
