Chosen by God

R. C. Sproul

Chosen by God R. C. Sproul

With nearly 200,000 copies sold in its 25 years, *Chosen by God* by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists, says Sproul. It is a doctrine for *all* biblical Christians. In this updated and expanded edition of *Chosen by God*, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.
