Janete Clair (Portuguese Edition) Artur Xexéo

When you talk about soap operas in Brazil it is impossible not to mention Janete Clair's name. The former radio actress and author of many successes from the radio age came to Globo TV in 1967, after a very brief passage through Tupi TV. Soon afterwards she became the "Master of the Eight o'clock". No wonder she got the title that would make her famous. No one was capable, like her, of dominating the chemistry of the soap operas prime time, where she shone, since "Véu de noiva" (Bride's veil), the soap opera that marked a new production style at Globo TV. From there, it was a collection of successes, such as "Irmãos Coragem" (Courage Brothers), "Selva de pedra" (stone jungle), "Fogo sobre terra" (fire on earth), "Pecado capital" (capital sin), "O Astro" (the star), "Pai herói" (father hero), "Eu prometo" (I promise). The book casts an overview on the life and work of this great writer.
