Belle Jamison is finally starting to feel like a "normal "girl again. Her job as a paranormal investigator is going well, she's learned to control her supernatural abilities (mostly) and she's just gotten engaged to Rome Masters, the ultra-sexy operative who once tried to neutralize her! But planning a wedding is never easy, especially when the bride keeps accidentally torching her dress, the groom returns from a dangerous mission with selective memory loss and the man responsible now wants Belle for himself. With Rome's ex determined to win him back and a new band of supervillains on the horizon, it will take all Belle's powers-- plus a little help from her trusty empath sidekick--to save the day, salvage the wedding and prove that true love really does conquer all.
