My Book about Me (Mandarin Chinese Edition) Dr. Seuss

A fun book for kids to fill in themselves, giving a host of personal details from basics such as how tall readers are, and the colour of their eyes, to more off-beat information such as whether they collect walrus whiskers! This title belongs to the highly acclaimed Beginner Book series developed by Dr. Seuss, in which the essential ingredients of rhyme, rhythm and repetition are combined with zany artwork and off-the-wall humour to create a range of books that will encourage even the most reluctant child to learn to read. First published by HarperCollins in 1973, My Book About Me is being relaunched with a stylish new cover design and updated contents.
